Dear Mr. Gibson:

Enclosed for your review, as requested is an updated "PAC" schedule, clearly identifying the PAC contributions for the above referenced reporting period.

In the future the Committee now understands that it may not use abbreviations that are not listed in the FEC Pacronyms list.

On behalf of the Capuano for Congress Committee, I thank you in advance for your assistance in resolving these issues.

Very truly yours,

Joan E. Langsam, Treasurer
Capuano for Congress Committee
